

Leadership for The Next Evolution

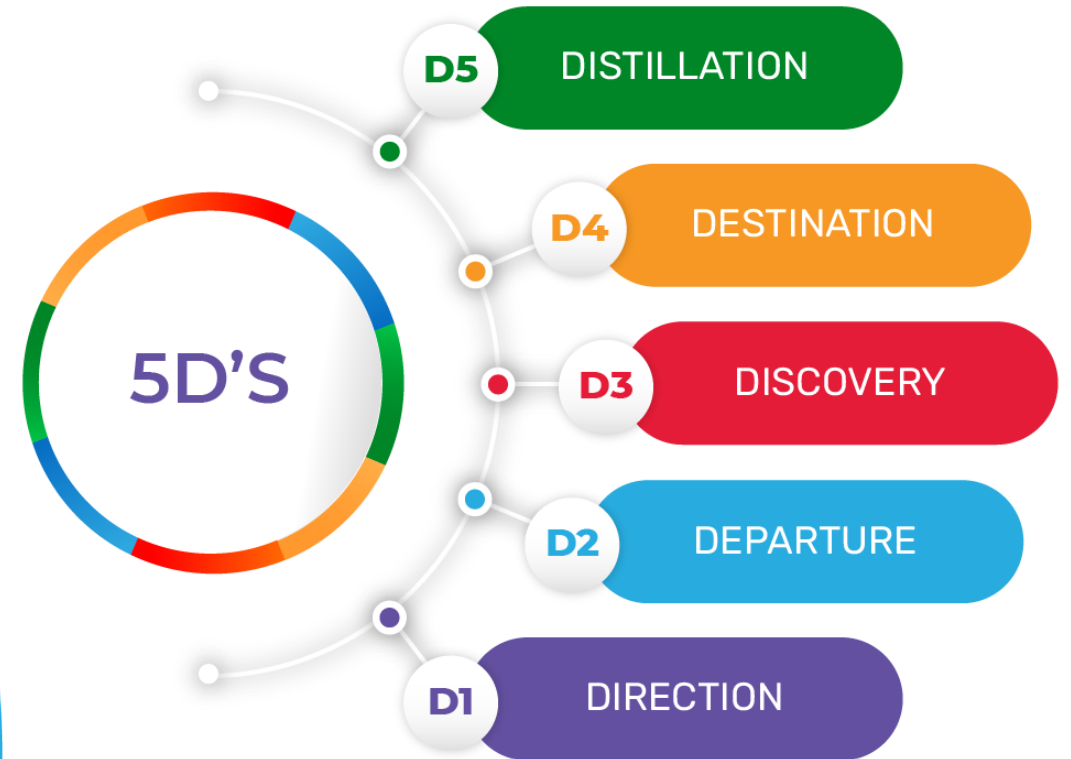

NOMADIC MAPPING JOURNEY MODEL

5D'S NOMADIC MAPPING JOURNEY MODEL

On any story-driven journey to creativity, whether in meetings, negotiations, marketing, leadership, or any other role, we go through the stages listed below. Each stage has its own energy and time requirement, dependent on the individual, team, organisation, project, and more.

5E's NOMADIC MAPPING JOURNEY MODEL

There are multiple behaviours that lead you to the ultimate destination of your project, communication, negotiation, organisational change, and more. These behaviours lead you deeper to wisdom.
The 5E's are what happens on the journey (5D'S)
